

## Chamber Benefits Card Participants

(Updated 5/11/10)

We are proud to present this list of member businesses participating in the Chamber Benefits Card program. Please refer to this list for the most up-to-date listing of discounts/incentives or other services.

Over the course of the year a minimal number of member businesses may choose not to renew their membership or an employee may leave their company. This means that a business or individual who is not a member of the Chamber will still have a Chamber Benefits Card/Keytag and may still wish to use it. The Chamber leaves the decision to honor or refuse the Chamber Benefits Card up to the individual member business. The Chamber of Commerce serving Lexington-Buena Vista-Rockbridge County will not be responsible for non-Chamber members who use the Chamber Benefits Card. **Please present card before purchase.**
